

Summer 2017

Employment Application

Thank you for your interest in applying for employment with the Summer Institute at UCF for this upcoming Summer. SI@UCF—Competitive Programming is an academic summer camp offered through the College of Engineering and Computer Science which runs from **July 9th—July 21st, 2017**. Approximately 20-30 talented and gifted high school students come to UCF to gain experience in competitive programming. Below are descriptions of the positions that we have available. If you have any further questions about the program itself or these positions, please contact Mr. Arup Guha at (321) 663-7749 or see him in HEC 240. Any questions regarding the application process or selection can be directed to the Center for Initiatives in STEM at (407)823-6230. Applications are due by **February 24, 2017** no later than **5pm** in MSB 230 with formal interviews taking place a week or two after. ***Receipt of an application does not guarantee an interview.***

Non-Academic Duties for all Teaching Assistants

All teaching assistants will be responsible for various tasks to ensure the smooth running of the program including: monitoring students in the morning when they arrive, going on field trips, helping run evening activities, taking attendance and helping with logistical issues as they arise during the camp. These duties will be assigned based on each TA's availability and every attempt will be made to give out these duties fairly to all involved.

Qualifications:

Preferred applicants must be UCF students with a solid background in computer science. Experience teaching either in an official role at UCF or at summer camp will also be helpful. Applicants must be in good standing at the University of Central Florida and be able to pass a Florida Department of Children and Families Level II background screening.

Academic Duties for all Teaching Assistants

The teaching assistants will be required to create lecture materials, give lectures, create practice content questions and data and work with students individually to help them learn algorithms and improve their contest performance.

Summer Institute @ UCF

Section I: Personal Information
Please print and complete the following questions with the appropriate response.

Name: _____ UCF ID #: _____

Local Address: _____

City: _____ State: _____ Zip Code: _____

Home Phone: (____) _____ Cell Phone: (____) _____

Knights E-mail Address: _____@knights.ucf.edu

Alternate E-mail (used for emergency only): _____

What is the best method to contact you?

- Home Number Cell Number E-mail

Have you been a TA before? Yes No

If so, which class(es) did you teach and where? _____

On which of the following competition websites have you competed (check all that apply):

- USACO Username _____
- TopCoder Username _____
- Codeforces Username _____
- Project Euler Username _____
- Code Chef Username _____
- Other _____ Username _____

What are your other summer obligations? _____

Are you employed at UCF in another office? Yes No

If so, in which office do you work? _____

Have you had any formal training that would make you qualified for this position?

For Section II: Educational Background

Please indicate your academic standing as of the end of the current semester:

Yr. 1 Yr. 2 Yr. 3 Yr. 4 Yr. 5+ Graduate Student

What is your major(s)? _____

What is your minor(s)? _____

Anticipated degree: _____

Scholastic honors: _____

List your extracurricular involvement: _____

What is your cumulative UCF GPA? _____

What is your cumulative Major GPA? _____

List any courses planned for Summer 2017 at UCF or elsewhere (with times, if available):

Course 1: _____

Course 2: _____

Additional Courses: _____

For Section III: Essays

Please complete the following questions and attach your typed responses, one question per page.

1. What three characteristics do you possess that would qualify you for this position?
2. Discuss an instance in a programming contest when you were unhappy with how you performed and how you adjusted from that experience to improve for future contests.

END OF APPLICATION

Please attach a current resume to this application and return both to:
