Travel Information Form – Competitive Programming

The Summer Institute starts **Sunday, July 7, 2024, at 6:00pm**. Students must arrive on the UCF campus by **no later than 5:00pm** if they are being dropped off or driving themselves. If flying, they need to arrive at Orlando International Airport (MCO) **between 1:00pm and 4:00pm** for pickup by SI staff. If your student’s particular travel options fall outside the times specified above, please contact us at 407-823-6230 **prior to** making your student’s final travel arrangements. Please complete the following form as directed, **and if flying, please attach your student’s travel itinerary.**

Please check the box that applies to your student’s travel arrangements, and complete the corresponding numbered section of additional details:

- My student will be flying in and out of Orlando International Airport (MCO) at the beginning and end of the Summer Institute, and I have attached an itinerary for their travel arrangements to this packet.
- My student will be driving to the UCF campus and requires a parking permit for the duration of the Summer Institute.
- My student will be driving to the UCF campus with another SI Student.
- My student will be dropped off and picked up at the beginning and conclusion of the Summer Institute, respectively.

If you checked **Box #1**, please provide the following information and attach itinerary.

NAME OF STUDENT: _____

ARRIVAL AIRLINE/FLIGHT #/TIME/Departure City: _____

DEPARTURE AIRLINE/FLIGHT #/TIME/Arrival City: _____

- For your convenience, CPSI provides a chartered shuttle bus to transport students from the airport to UCF. Please pay attention to the instructions below before arranging flight times for your student.**
- Your student should arrive at Orlando International Airport (MCO) **between 1:00 and 4:00pm on Sunday, July 7th**. An exact location for pick up within the airport will be determined as we get closer to the event. Those students who arrive prior to this window will be instructed to wait at the airport until our first shuttle arrives to transport them to UCF. Those students who arrive after this window, whether through planned flight time or flight delay, will be responsible for arranging their own transportation to UCF at their own expense. In your planning, please take into account that while all airlines can experience delays, the majority of issues in the past have occurred with budget airlines. Additionally, if you are needing to schedule an arrival outside of the window stated above, we suggest scheduling an arrival prior to this window so that your student utilize our shuttle.
 - o Parent/Guardian Initial _____
- At the end of the Summer Institute, the student’s flight should be scheduled **between 1:00-4:00pm on Friday, July 19th**. Those students who have a flight scheduled before this window will be responsible for arranging their own transportation to the airport at their own expense. Those students who leave after this window will be instructed to go through security and wait at the airport until their flight’s departure. Please note when scheduling a later flight that some airlines will not allow baggage to be checked prior to 4 hours before departure. In this case, UCF staff cannot stay with your student and they will be responsible for checking their own baggage and making their way through security on their own.
 - o Parent/Guardian Initial _____
- PLEASE NOTE THAT SI STAFF CANNOT PICK STUDENTS UP FROM THEIR GATE UPON ARRIVAL NOR ESCORT THEM TO THEIR GATE FOR DEPARTURE.** If the ticket that you are purchasing for your student requires you to provide the name of the person picking them up from the gate, we ask that you arrange alternate transportation for them or fly with them.
- SI staff will pick up and drop off your student from/at the Orlando airport. At drop off, SI staff will ensure the student makes it through security, but we cannot escort them to the gate. We will work with them to provide instructions/ directions to get them to their gate without issue. Though OIA is a larger airport once we get students to and through security, it is easy to navigate to their gate.
